Women's Ministry Department

Although the Women's Ministry Department is awaiting a new leader, the WhatsApp group is still in operation; there are two groups. The Prayer Group is updated every Saturday evening and women are encouraged to pray at 7am on the following Sunday morning for all those on the list. Failing that, please pray whenever possible. You can do that on your own or with a prayer partner.

If anyone would like to add a prayer to the list, please WhatsApp or text message Sis Jean Gregory on 07982199413. More prayer, more power.

Laughter is a Good Medicine

A poem by Margaret Cagle

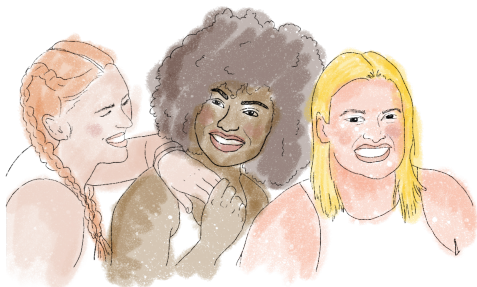

Does your presence bring a gloom
When you walk into a room,
Or does the sight of your dear face
Bring joy and cheer into the place?

Learn to always laugh and smile
Even though it's not your style.
Laughing is also good for your health
If you are poor or have great wealth.

A merry heart is like medicine, you see,
And it is a medicine that's always free.
Please laugh as often as you can.
This thing the government cannot ban.

Yes, laughter is always free,
So go ahead and laugh with me.
Smile and others will smile with you.
Frown and make others around you blue.

Saint, you have Jesus in your heart.
To really want to impart
The great joy that He gives each day,
So laugh and smile along the way.

FOR GOD has
NOT given US
a SPIRIT of
FEAR, but of
POWER & of
Love & of
a SOUND mind.

- 2 TIMOTHY 1:7

In Remembrance

We want to take the time to remember some of our church mothers who have recently passed away. They will always have a place in our heart and we can cherish the happy memories shared with them and look forward to seeing them again when Jesus returns.

Message of Encouragement

From Pastor Dan Dachin

I'd like to tell you the story of two children. The parents of the first child were somewhat mismatched. His father was unemployed with no formal schooling. His mother was a teacher.

This child, born in Port Huron, Michigan, was estimated to have an IQ of 81. He was withdrawn from school after three months--and was considered backward by school officials.

The child enrolled in school two years late due to scarlet fever and respiratory infections. And he was going deaf. His emotional health was poor. He was stubborn, aloof, and in poor emotional health. He liked mechanics. He also liked to play with fire and burned down his father's barn. He showed some manual dexterity but used very poor grammar. But he did want to be a scientist, or a railroad mechanic.

Life for the second child was not any more promising. In addition to having an alcoholic father, she was sickly, bedridden and often hospitalised. She was considered erratic and withdrawn. She would bite her nails and had numerous phobias. She wore a back brace from a spinal defect and would constantly seek attention.

She was a daydreamer with no vocational goals, although she expressed a desire to help the elderly and the poor.

Who were these two children?

Continued over...

The boy from Port Huron became one of the world's greatest inventors--Thomas A. Edison. And the awkward and sickly young girl became a champion of the oppressed--Eleanor Roosevelt. Would you have voted either one of these children, "most likely to succeed?"

We were born because God decided that our life could be an amazing blessing for the world, and He knows exactly how this can be achieved. Trust Him and trust in Him, that whatever He began to work in you, He will "carry it on to completion", He will succeed, He never fails.

BEING CONFIDENT
of this, THAT
He who began
a GOOD WORK in you
WILL CARRY IT ON TO COMPLETION
until THE DAY of
Christ Jesus
